The **Total** column is the amount you pay regardless of whether the debt has been paid at this stage. The **Debtor Pays** column is the amount the Debtor pays when an action is successful, this may be after our invoice. The Court calculate the fee on the total of the debt plus interest, which may put the Court fees and costs into the higher band. You will not recover the sum in the **Non-Recoverable** column for a standard LBA. There are very exceptional circumstances where we are able to cancel the court action on the day of processing. Where we are able to do so, a cancellation charge of no more than the equivalent non-recoverable costs element will apply, otherwise the total costs and fees will be payable.

Judgment & Enforcement in England and Wales

Action	Judgment Amount	Judgment Costs (+ VAT)	Enforcement Costs (+ VAT)	Enforcement Fees	*Total (+ VAT on Costs)	Standard LBA Debtor Pays	Standard LBA/LPD Non-Recoverable Costs
Bailiff	£25 to £125	£32	£2.25	£83	£117.25	£107.25	£10
Bailiff	£125 to £600	£37	£2.25	£83	£122.25	£107.25	£15
HCEO	£600 to £5,000	£42	£51.75	£71	£164.75	£144.75	£20
HCEO	Over £5,000	£55	£51.75	£71	£177.75	£152.75	£25

The court calculate the **Enforcement Fee** on the Judgment total, which may put the fee into the higher band. If the debtor files an Acknowledgement of Service the costs increase by £3 for debts up to £5,000 and by £5 on debts over £5,000. The HCEO will collect their charges from the debtor direct. However, in the event of the HCEO being unsuccessful there will be an abortive fee, which is generally £75 plus VAT. We will automatically instruct the Enforcement Officer (HCEO) in every case over £600.00. Stage 3 costs are based on default proceedings where the High Court Enforcement Officer (HCEO) or Bailiff is instructed. **Judgment Costs** are calculated on the total of the balance of the debt plus the fixed costs and fees on issue plus interest.

Matters referred to our litigation department may be charged at £100 to £160 plus VAT per hour. We will clearly notify you in writing before any hourly rate (i.e. £100-£160 plus VAT per hour) is to be incurred.

What you get when issuing a Judgment and Execution.

Once we have received your instruction via the website or app, we will acknowledge that we have received your instruction via email if you have continuous updates set on your account.

Thomas Higgins Limited will check to make sure the case is ready to issue the Judgment and Execution, once we have sent the instructions to the Northampton Bulk Issuing Court we will email you the client.

If the debtor calls our office we will take a transcript of the call and email you a copy and in most cases send a copy to the debtor by first class post or email, we will also instruct the debtor that they must contact the county court bailiff or the High Court Enforcement Officer directly.

If we receive any correspondence from the debtor, county court bailiff or enforcement officer we will send you the client a copy via email and update the case on the website and app.

Time Scales of Judgement and Execution

Usually 48 hours after Thomas Higgins Limited has sent the instruction to the Northampton Bulk Issuing Court we will receive notification that the Judgment and execution has been issued. We will then update the case details on the website and app and we will write to the debtor with the details of the Judgment and execution by first class post, if the debt is over £600.00 Thomas Higgins Limited transfers these up to the high court and we will instruct the enforcement officer to proceed to collect the debt. If the debt is under £600.00 we instruct the County Court Bailiff.

The feeing structure for Messenger-at-Arms is strictly regulated by the procedural laws issued by the Court of Sessions in Edinburgh.
